Hi Rudy,

Thanks for your email. I've copied Margaret Van Tassell, the senator's DC scheduler, on this email. She should be able to tell you if 3:30 July 17th will work.

Best,
Harper

Harper, our Regional Administrator will be in D.C. on Wednesday, July 17. He has some time available after 3:30. If Senator Sanders is available, Curt would like to stop by and meet with him briefly. Do you know if this is possible? Thanks.
